It'll be lonely this Christmas, lonely & cold,
It'll be cold so cold, without you to hold, this Christmas

Santa baby, slip a sable under the tree for me,
Been an awful good girl,
Santa baby, so hurry down the chimney tonight.

What a grand & glorious feeling, glorious feeling
When the bells of peace are pealing, peace are pealing,
Peace on Earth x 3

Winter Warmup song

Branches silhouette dark against the cold grey sky
Frosted cobwebs shimmering in the morning light
Ice painted white across the freezing landscape
And we shiver in the morning, & we shiver in the icy cold.

Santa Claus is covid secure

Oh his suit has been pressed, the sleigh's looking pretty
He's got the go ahead from Professor Chris Whitty
Santa Claus is covid secure
When he enters your house
He'll be a good chap
He'll check himself in on the NHS app
Santa Claus is covid secure.

He's not displaying symptoms,
You've got nothing to fear,
Cos he isolates at the north pole, Three hundred &
Sixty-four days a year.
Its close to midnight, the church bells chime
He's late because he's washed his hands a billion times
Santa claus is covid secure

He's got new rules to follow, Its a difficult task,
But he won't go down your chimney,
Without wearing a mask
Santa claus is covid secure.
The presents are loaded, the drop offs are mapped.
His mince pies are all individually wrapped
Santa Claus is covid secure.

His sleigh is ventilated,
The presents are as well,
And Rudolph's had his red nose rubbed
In antibacterial gel!
The reindeer have helped,
The elves played their part
They've all placed themselves two metres apart,
Santa Claus is covid secure
