

Cotton Fields

Chorus

When I was a little bitty baby, my mama would rock me in the cradle,
In them ole cotton fields back home
It was down in Louisiana, just about a mile from Texarkana,
In them ole cotton fields back home

Verses

Oh when them cotton balls get rotten, you can't pick very much cotton,
In them ole cotton fields back home
It was down in Louisiana, just about a mile from Texarkana,
In them ole cotton fields back home

Oh it may sound a little bit funny, but you didn't make very much money,
In them ole cotton fields back home

I went way down to Arkansas, & people said what you come here for,
In them ole cotton fields back home
