

## **Dream A Little Dream Of Me**

Stars shining bright above you;  
Night breezes seem to whisper 'I love you'.  
Birds singing in the sycamore tree.  
Dream a little dream of me.

Say nighty-night and kiss me;  
Just hold me tight and tell me you'll miss me.  
While I'm alone, as blue as can be,  
Dream a little dream of me.

Stars fading but I linger on, dear -  
Still craving your kiss.  
I'm longing to linger till dawn, dear,  
Just saying this...

Sweet dreams till sunbeams find you -  
Sweet dreams that leave all worries behind you.  
But in your dreams, whatever they be,  
Dream a little dream of me.

Instrumental/Scat singing break!

Stars fading but I linger on, dear -  
Still craving your kiss.  
I'm longing to linger till dawn, dear,  
Just saying this...

Sweet dreams till sunbeams find you -  
Sweet dreams that leave all worries behind you.  
But in your dreams, whatever they be,  
Dream a little dream of me.
