### **The Bells Of Norwich - Sydney Carter**

Loud are the bells of Norwich and the people come and go,  
Here by the tower of Julian, I tell them what I know.

Refrain: Ring out, bells of Norwich, and let the winter come and go  
All shall be well again, I know.

Love like the yellow daffodil is coming through the snow,  
Love like the yellow daffodil is lord of all I know

Refrain

Ring for the yellow daffodil, the flower in the snow.  
Ring for the yellow daffodil, and tell them what I know.

Refrain

### **Go From My Window - Tune by John Dowland, lyrics anon C16th**

Go from my window, my love, my dove,  
Go from my window, my dear.  
For the wind is in the West and the cuckoo's in his nest  
And you can't have a lodging here.

Go from my window, my love, my dove,  
Go from my window, my dear.  
Oh, the weather it is warm, it will never do thee harm  
And you can't have a lodging here.

Go from my window, my love, my dove,  
Go from my window, my dear.  
For the wind is blowing high and the ship is lying by  
And you can't have a harbouring here.

Go from my window, my love, my dove,  
Go from my window, my dear.  
The wind and the rain have brought him back again  
But he can't have a harbouring here.

Go from my window, my love, my dove,  
Go from my window, my dear.  
Oh, the devil's in the man that he will not understand  
He can't have a harbouring here.
