

THE SWEETEST KICK (Stephen Taberner)

You, you gave me
You gave me
The sweetest kick in the heart
The sweetest kick in the heart

Cos I, I've been warm
And I've been cold
Cos love won't do what it's told
No love won't do what it's told

Ooh, ooh

The moon, the moon is full
Full of the dreams of strangers
You never know which one it's gonna be
You never know which one it's gonna be

Ooh, ooh

Cos I, I've been warm
And I've been cold
Cos love won't do what it's told
No love won't do what it's told

Cos you, you gave me
You gave me
The sweetest kick in the heart
The sweetest kick in the heart
Mmm
