

Closer To Fine - Indigo Girls

Altos: I'm trying to tell you something about my life
Maybe give me insight between black and white
And the best thing you've ever done for me
Is to help me take my life less seriously
It's only life after all

Sops/Altos: Well, darkness has a hunger that's insatiable
And lightness has a call that's hard to hear
And I wrap my fear around me like a blanket
I sailed my ship of safety 'til I sank it
I'm crawling on your shores

Chorus:

And I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
There's more than one answer to these questions pointing me in a crooked line
And the less I seek my source for some definitive
Closer I am to fine
Closer I am to fine

Sops/Altos: And I went to see the doctor of philosophy
With a poster of Rasputin and a beard down to his knee
He never did marry or see a B-grade movie
He graded my performance, he said he could see through me
I spent four years prostrate to the higher mind
Got my paper and I was free

Repeat Chorus

Instrumental = 4 bars x Aaah

Altos: I stopped by the bar at 3 A.M
To seek solace in a bottle or possibly a friend
And I woke up with a headache like my head against a board
Twice as cloudy as I'd been the night before
And I went in seeking clarity

Extended Chorus:

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountain

We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain

We go to the Bible, we go through the workout
We read up on revival, we stand up for the lookout
There's more than one answer to these questions pointing me in a crooked line
And the less I seek my source for some definitive
Closer I am to fine
Closer I am to fine
Closer I am to fine
