

"Our Town" - Iris Dement arr K.Logan

V1 Up the street, beside that red neon light
That's where I met my baby on one hot summer night
He was the 'tender and I ordered the beer
It's been forty years and I'm still sitting here

Chorus: And you know the sun's setting fast
And just like they say, nothing good ever lasts
\Go on now and kiss it goodbye
But hold on to your lover 'cause your heart's bound to die
Go on now and say goodbye to our town, to our town
Can't you see the sun's setting down on our town, on our town
Goodnight

V2 It's here I had my babies and I had my first kiss
I've walked down Main Street in the cold morning mist
Over there is where I bought my first car
It turned over once but then it never went far

V3 I buried my mama and I buried my pa
They sleep up the street beside that pretty brick wall
I bring 'em flowers about every day
But I just gotta cry when I think what they'd say

Chorus: If they could see how the sun's setting fast
And just like they say, nothing good ever lasts
\Go on now and kiss it goodbye
But hold on to your lover 'cause your heart's bound to die
Go on now and say goodbye to our town, to our town
Can't you see the sun's setting down on our town, on our town
Goodnight

V4 Now I sit on the porch and watch the lightning bugs fly
But I can't see too good, I got tears in my eyes
I'm leaving tomorrow but I don't wanna go
I love you, my town, you'll always live in my soul

Chorus: But I can see the sun's setting fast
And just like they say, nothing good ever lasts
\ Go on, I gotta kiss you goodbye
But I'll hold on to my lover 'cause my heart's 'bout to die
Go on now and say goodbye to my town, to my town
I can see the sun has gone down on my town, on my town
Goodnight
Goodnight

Just Keep Going On - Eric Bibb arr R.Hodgeson/K.Logan

Just keep goin' on, Just keep goin' on
Just keep goin' on, Just keep goin' on
Take every knock as a boost
And every stumblin' block
As a stepping stone
Lift up your head, hold your own
Just keep goin' on!

I'll say to every young woman
Also to every young man
Sometimes you get discouraged
Don't stop and wring your hands
Your priviledge can not be taken
Your rights can not be banned
If someone like me can make it
I know you can!

The Swimming Song - Loudon Wainwright arr.Dom Stitchbury

This summer I went swimming,
This summer I might have drowned
But I held my breath and I kicked my feet
And I moved my arms around, moved my arms around.

This summer I swam in the ocean,
And I swam in a swimming pool,
Salt my wounds, chlorine my eyes,
I'm a self-destructive fool, a self-destructive fool.

Interlude - Ooooh

This summer I did the backstroke
And you know that's not all
I did the breast stroke and the butterfly
And the old Australian crawl, the old Australian crawl.

This summer I swam in a public place
And a reservoir, to boot,
At the latter I was informal,
At the former I wore my suit, I wore my swimming suit.

Interlude: Ooooh & Interlude:Woah

This summer I did swan dives
And jackknives for you all
And once when you weren't looking
I did a cannonball, I did a cannonball.
Interlude:Woah
